Dedication

Mr. Denny is one of those rare personalities who can rise to meet any occasion. He can play the role of playwright for a skit, counselor for perplexing problems, or act in the capacity of a friend. The Class of 1952 is particularly indebted to him for his inspiring leadership during our Sophomore and Junior years. Now in his position of Vice Principal he has again lent us his aid and guidance. It is because of his unselfish effort, his fine personality, and his noble character that we, the Staff of the 1952 Daisy, dedicate this book to Mr. Charles F. Denny.

We shall miss their faces, but their footsteps will
ever echo in our hearts.

JACKSON PRICE
District Superintendent

Young people are seldom conscious of the great changes that are taking place in the world about them. This is quite natural, for they have known no other age. Nevertheless, it is plain to members of a high school graduating class today that the "times" are unsettled and very uncertain. Old philosophies have been questioned; age-old institutions have been flaunted. It is impossible to plan into the future with any degree of certainty.

There results a condition of great confusion, and but little feeling of personal security.

The mind of man has conquered the land, the sea, and the air. Science has split the atom and built the atomic bomb. We have come almost to believe that there is nothing our scientists cannot do for us. Yet, with all their masterful achievements, we do not have a sense of well-being and security.

There are perhaps many causes contributing to this condition today. But, most of all, perhaps, is the fact that we are believing in science—in man, instead of in God.

The mind of man cannot long deny the source of its divinity; nor can it continue to labor productively in a spiritual vacuum. Science without a soul is much like knowledge without wisdom. "Man cannot live by bread alone."

Great men like Lincoln learned early in life that there is a knowledge deeper than logic, richer than science. It is the wisdom of an Almighty.

As you leave the cloistered halls of your school, and the sheltered environment of your homes, to find your place in the sun, it will be well for you to put your confidence in a Supreme Being and place the highest values in the things of the Spirit.

HAROLD PUFFER
Principal

The school year of 1951-52 has come to an end and the class of '52 has completed a pleasant four years here at Shasta Union High School. When this class of 1952 entered High School conditions seemed to be settled to the extent that one could look forward to security in the years ahead but the last four years have brought tremendous changes in the world, including the Korean situation in which many former students and graduates of Shasta Union High School have already taken an active part.

The years ahead seem uncertain but with a sound educational background, together with the moral and spiritual values which have become a part of you through your educational experiences in your home, your school and your church, you will be able to meet the future a day at a time and solve the problems as they arise. As you go into another school experience, the work world, or into a military service, you will have many problems to solve but by being deliberate and keeping a level head you will be able to solve your problems.

The world situation is very tense and within the next few years it is very important that we all work for the American way of life in order that not only we, but the future generations, may live in a free world.

Editor's Message

As I sit here among the scramble of books, papers, and people, I think how wonderful it has been to be editor of the Shasta Daisy. As I look back, I find that we worked hard, fought quite often, but had lots of fun bringing this book to you. If you enjoy the Daisy half as much as we enjoyed bringing it to you, we shall be happy.

Good reading and pleasant memories, from the Staff of the 1952 Shasta Daisy.

Sincerely,
VADEN WILLIS.

MR. SANTURE

A Tribute

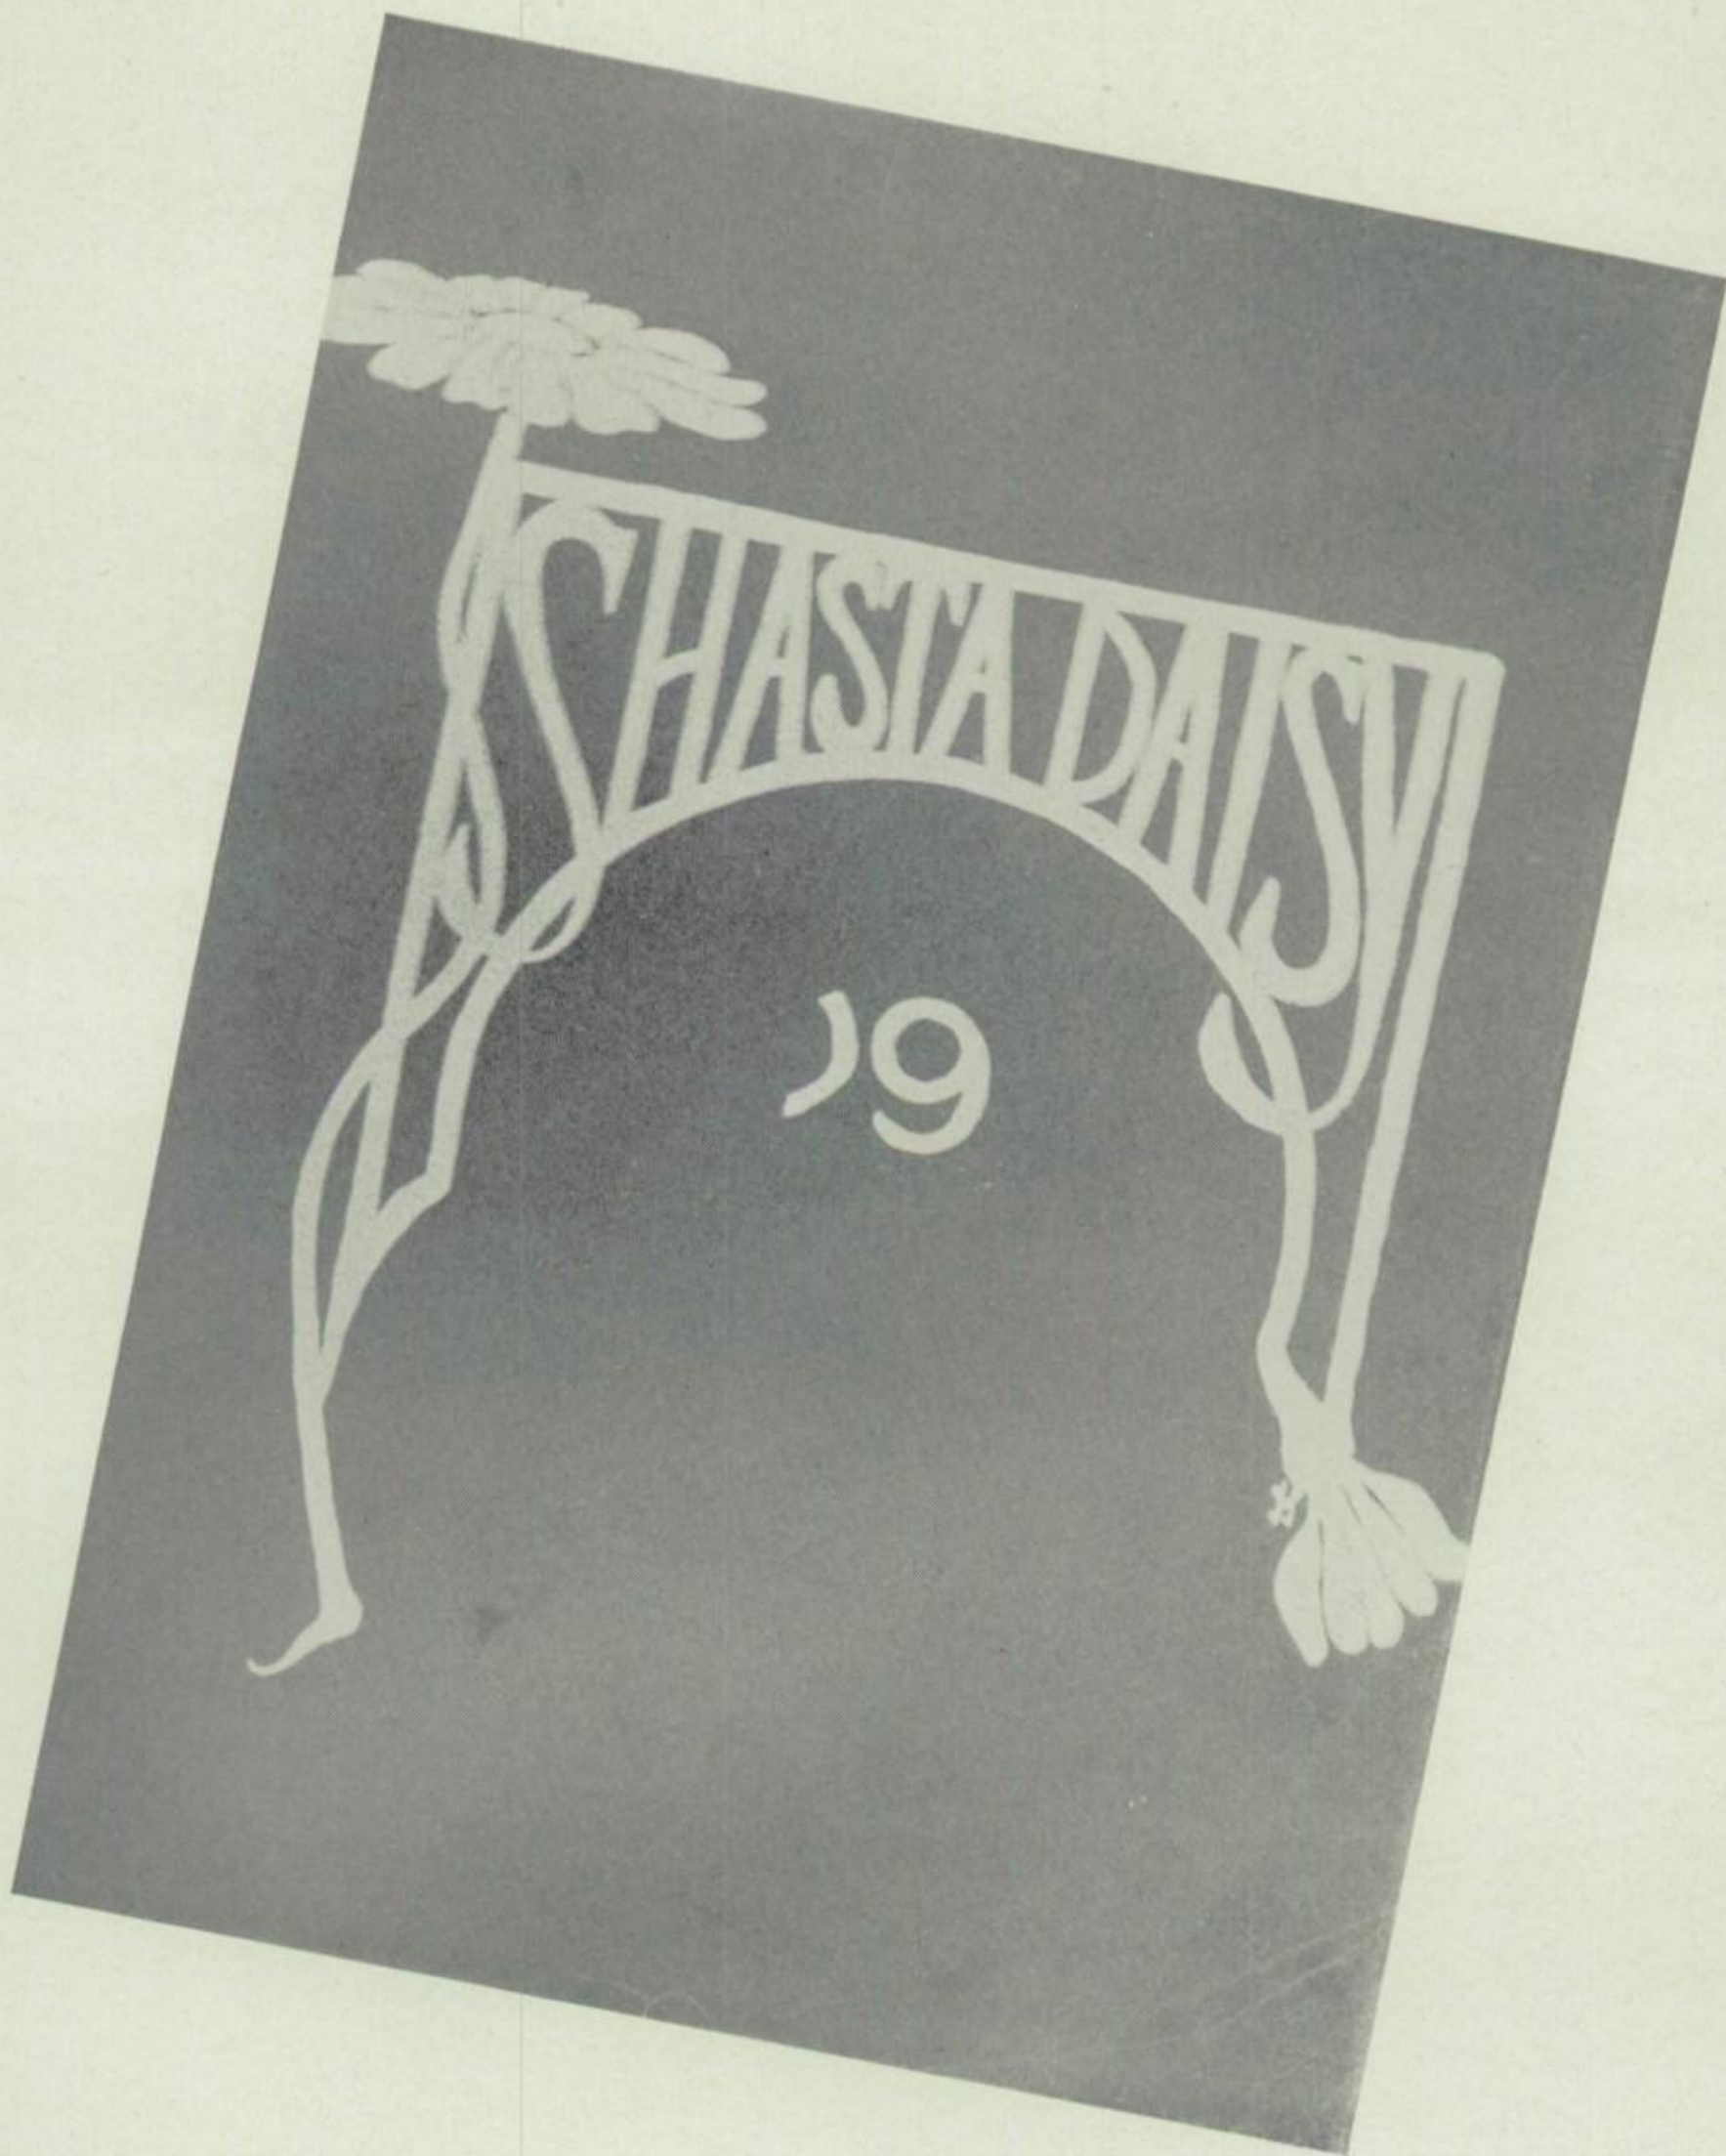

This year Mr. Santure left us to serve in the Air Force. With his going Shasta lost, temporarily, a personality it will not readily forget. Mr. Santure had that kind of personality that radiated cheerfulness and was a source of cheer to everyone with whom he came in contact. His friendliness and understanding made him well liked and respected by his Drivers' Education classes, the basketball teams he coached, the faculty, and the entire student body.

Upon leaving he stated, "Some others may be in doubt, but I know what I'm fighting for!"

It is for this loyalty, friendliness, and genuine interest in the students, that the 1952 Shasta Daisy salutes Mr. Richard Santure.

BUDDY FRANK
President, Spring Semester

LEFT TO RIGHT: David Hummel, Iris Grove, Bill Jacobs,

gan, Marion Brazelton, Louise McDonald.

In September of 1948 the class of '52 entered the halls of Shasta High. Just another bunch of "greenhorns" then, but in four short years they had made an impression that would linger long after many of them had been forgotten.

Under the leadership of Paul Williams and Bob Milton the class of '52 gained its initial velocity. The class was immediately recognized as possessing great qualities of leadership, scholarship, and athletic ability. Their contributions of organization leaders, entertainers, and athletes were in no small numbers.

As sophomores they added momentum to their record-breaking career. With first Dearle Tolladay as president, and then Don Avey, they sponsored the Mad Hatter dance, proving their financial abilities by clearing more profit than any other dance of the year.

In their junior year the class of '52 exemplified their salesmanship by breaking all previous magazine sales records in selling \$2592.80 worth of magazines. The class chose Bruce Bedynek and Larry Clark as successive presidents and gave outstanding delegates to Boys' State, Girls' State, the Richardson Springs Conference, and various student leaders' conferences.

Finally came the crowning year. The richest class in school, with David Hummel and then Buddy Frank as presidents, made plans for a beautiful fountain as a parting gift to the school. They gave Larry Clark and Bob Brinkerhoff as outstanding student body presidents, and they filled lesser offices with more of their aspiring leaders.

In all this, the class of 1952 can look back with justifiable pride on a job well done. The precedent they have set at Shasta High will long remain, challenging future classes who would aspire to such greatness.

Juniors

Class of '53

Spurred on by their able presidents, Royce Pipkin and Richard Friebel, the class of '53 successfully began their junior year by breaking all records in the annual junior magazine sale.

Outstanding juniors were prominent in every phase of school life no matter what it was. They were always active, always capable, and always willing to tackle any job.

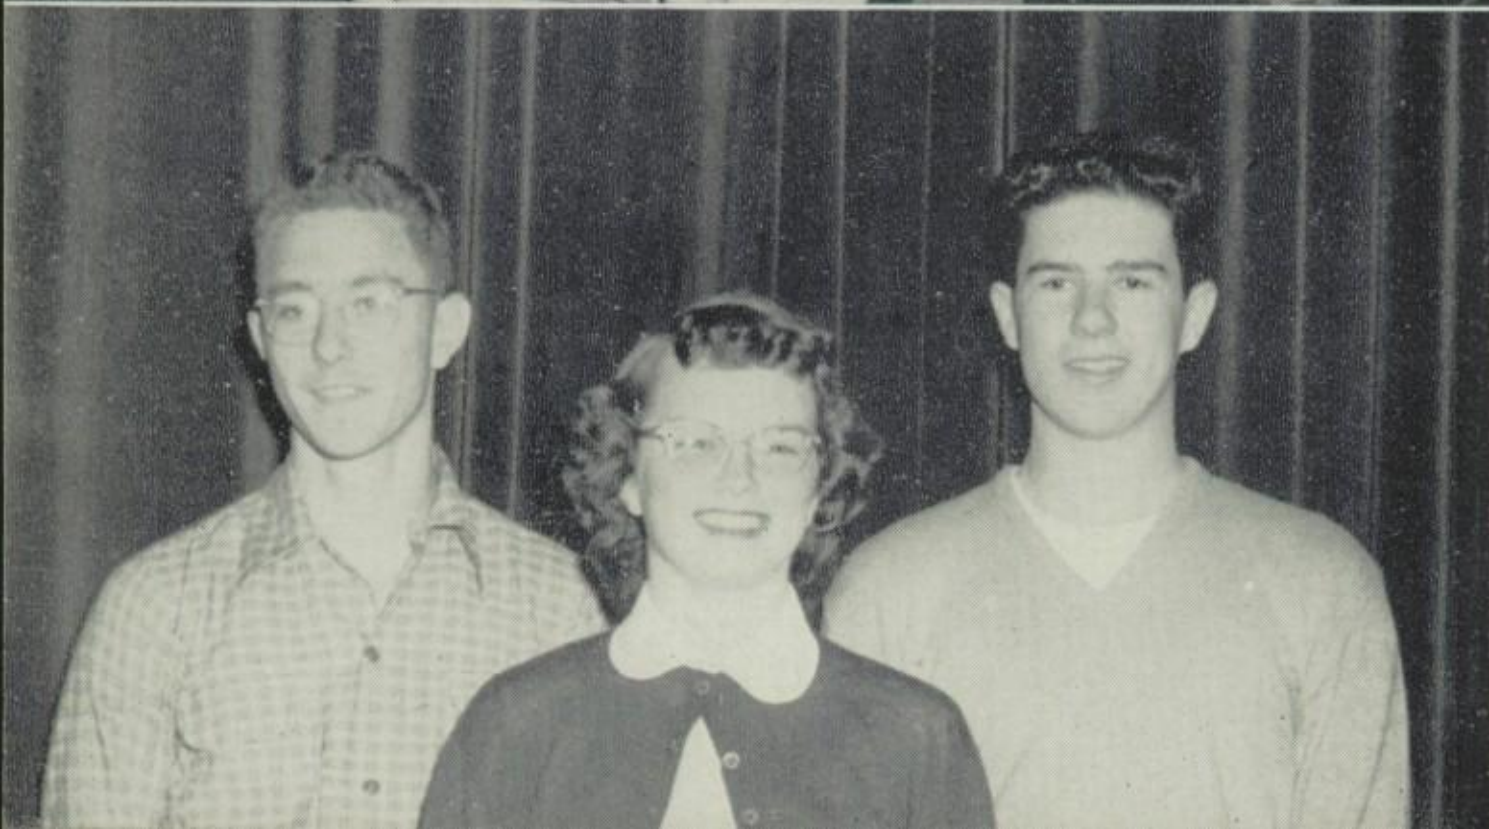

Thus, with this successful foundation they have laid, the class of '53 is confidently assured that their last year at Shasta will be their best.

Sophomores

Class of '54

The sophomore class had a very outstanding year. They were led by two fine presidents, Don Wilhelmson and Don Stewart. These, with the co-operation of the class, engineered the successful sophomore assembly and sophomore Sports Hop.

Many sophomore boys were active in sports, and others participated in dramatics, clubs and other school activities.

With the spirit and co-operation they have shown so far, the class of '54 can look forward to an even better junior year.

Freshmen

Class of '55

The class of '55 wasted no time in making a name for themselves at Shasta.

Their athletes were outstanding in every major sport; several freshmen were in the C.S.F., and one frosh had a major part in the school play.

Their capable class officers, led by Presidents Jim Banks and Jim Trussas, planned many activities, among which were the Frosh Return and the freshman assembly.

Thus, with such a good beginning, the class of '55 should be destined for an even better sophomore year.

In trim pleated skirts and white sweaters, led by six snappy majorettes, the drill team stepped onto the football field or the basketball court to the sound of martial strains and added its color and spirit to the game. Ready the second week of school, the drill team marched at every home Friday night football game and two out-of-town games. Several of the performances were with the band, which gave us musical assistance throughout the year.

The majorette for the drill team was Pat Fitzrandolph; the head of the majorettes was Eileen Kennedy. Dorothy Smith acted as head acrobat. Other majorettes were Jo Ann Alward, Carol Stanley, June Thompson, Alice Hansen, and Beverly Morrow. The other acrobats were Philis Duffey and Jeanette Johnson.

Mrs. Shuman deserves a lot of thanks for her hard work and patience with us.

First Semester

Led by president Larry Clark, a number of enjoyable and educational assemblies were presented by the first semester student body officers. A highlight of nearly every meeting was the humorous reading of the minutes by secretary Leon Nelson.

Under the supervision of the other officers, vice president, Bob Milton; treasurer, Terry Riley; and student council secretary, Emmie Cook, every undertaking was a success. Rallies under the direction of Emi Markham, football yell leader, and her assistants, were full of spirit and interest.

Student body card sales, led by tax collectors Joyce Reynolds and Buddy Frank, hit over the nine hundred mark to provide the money for a highly successful semester.

Second Semester

Bob Brinkerhoff led the student body during the second semester with a fine record of leadership. Under his direction assemblies and other student body activities were carried out with high degrees of success.

The other officers, vice president, Carol Jo Hall; student body secretary, Emmie Cook; student council secretary, Maureen McEnaney; and treasurer, Terry Riley, helped Bob out to make the second semester just as successful as the first.

First Semester

The student council, under the fine leadership of council president Bob Milton, brought about many needed improvements in the governing of the school during the first semester.

The main project was the discussion of a change in the way revenue from student body card sales may be divided in the years to come. This project was not completed during the first semester, so it was carried over to the second.

Another project during the first semester was the setting aside of a day for a school-wide clean-up by the student body. Refuse containers were then put around the grounds to prevent further cluttering.

The out-dated constitution was also considered by the council, and a committee was appointed to look into its revision.

Second Semester

Under the leadership of second semester president Carol Jo Hall, the student council continued the task assigned by the first semester governing body and completed the revision of the student body budget.

Among the other accomplishments of the council during the spring was the revision of the student body constitution to make it fit the rising size of the student body.

The Student Patrol

The Student Patrol is an organization whose purpose is to keep the halls quiet during the lunch periods. It consists of nineteen members with four officers. They are voted in at the beginning of the year and they hold the office for the first semester.

Officers for the first semester were Lt. Wanda Keffer, Desk Sgt. Mary Hayes, First Patrol Sgt. Sylvia Malone, Second Patrol Sgt. Gary Bridges. The officers for the second semester are Lt. Sylvia Malone, Desk Sgt. Roberta Miller, First Patrol Sgt. Arline Howe, Second Patrol Sgt. Bettie Van Fossen.

The organization had a very successful field trip during the second semester. They went through the court house, and the trip was enjoyed by all who participated in it.

The Student Patrol was responsible for keeping the halls cleared for the three lunch periods. Due to this effort, the excess noise was practically eliminated.

The Shasta branch of the Future Homemakers of America have participated during the year in many state, district, and school activities.

One of their members, Ruth Kuss, was honored by being elected state song leader. Ruth and two other delegates, Dorothy Smith and Velma Caldwell, represented the club at the state convention at Asilomar in October.

The Shasta club was the hostess at the sectional meeting held in Redding in April. Many interesting meetings featuring phases of homemaking were conducted throughout the year.

The members try to combine fun with the spirit of interest in those community and national affairs related especially to homemaking.

Chapter 262N of the California Scholarship Federation has had a very successful eighteenth year. The requirement of receiving ten points (two of which may be for extracurricular activities) was achieved by a large number of students with quite a few receiving the maximum of seventeen points.

The honor society maintained its motto "Scholarship for Service," and its ability to participate in other school activities by decorating the large Christmas Tree in the entrance of our school.

Our annual Sno-Ball was a great success with the decorations acclaimed the most beautiful Shasta has seen in the past eight years.

Hal Rodman in "Portraits in Make-Up" was the pay assembly the C.S.F. sponsored this year, and it proved to be one of the most delightful our student body has witnessed.

The highlight of the second semester was the annual picnic or "Skip Day" with an enjoyable afternoon of swimming and softball.

The members of the C.S.F. are outstanding not only in grades but in student leadership, in athletics, and in other activities.

The Varsity Club has performed many worthwhile projects during its initial year in existence at Shasta. Like the former Block "S" Society, its standards are good sportsmanship and conduct worthy of Shasta in all athletic contests.

The club is made up of all boys earning a varsity letter in football, basketball, baseball, and track, with special consideration being given to seniors who have lettered three years in a "B" or "C" sport and who letter their senior year.

Preceding the final football game, the club chose Phyllis Firth as their Football Queen for 1951. She was awarded a gold trophy appropriately inscribed.

Other activities included the booth at the Ag Ball and the organizing and running of the boxing tournament.

Girls' League

Girls' League is an organization which all girls at Shasta High are invited to join.

The activities of the League consisted of a Sadie Hawkins' Day dance in November, a roller skating party in February, the Richardson Springs Older Girls' Conference in April, and the Mothers' Day Tea in May.

Girls' League is also a service organization. At Christmas time the girls shop for and deliver baskets of food to two needy families in our district.

Pep Society

Pep Society is a service organization to promote school spirit at Shasta.

Some of our many duties are as follows: ushering at football and basketball games, selling tickets for the rooters' buses to the out-of-town games, and co-operating with yell leaders to put on pep rallies.

We presented a vaudeville assembly, which was the first assembly of the year. The Jazz Time Dance, which was presented early in the year, also was as successful as our assembly.

A club is not a success without advisors, and Pep Society would not have been a success without our two wonderful advisors, Miss Hocking and Mr. Fitzgerald.

Tri-Y is a service organization; its purposes are to promote self-improvements, Christian fellowship, and to serve the school and the community.

During the year, we held our dance, which was early in the fall; we attended a Youth in Government Program, which is a conference held in Sacramento; we had a week-end snow party at Mineral Lodge; we sent a representative to Richardson Springs.

Each year the Tri-Y gives a fifty-dollar scholarship to an outstanding senior in the club; the award is made on basis of her service to the club, school, and community.

This year has been a very successful one for the Future Nurses' Club. Mrs. Starr, our advisor, arranged several field trips which have helped acquaint the girls with Public Health facilities. There have been films about life of student nurses, and we have also had several guest speakers who have given us first-hand knowledge of hospital life.

Also, this year we have worked out a point system with which the girls can earn their Future Nurses pins.

Along with this we have also had several parties for recreational purposes.

The Girls' Athletic Association is an organization formed so girls can have a chance to participate in extracurricular sports.

Some of the sports the girls have played this year are as follows: Speedball, Volleyball, Basketball, Softball, Badminton, Shuffleboard, Ping Pong, Tennis, Track, and Swimming.

The Girls' Athletic Association is not limited to inter-class activities. This year we participated in several playdays at other schools and had two playdays here. Several of the girls attended a Basketball Clinic at Chico where they learned many new techniques. All in all, the girls have had an active year.

The Junior Statesmen, although a comparatively small club, accomplishes a great deal during the year.

One of the major club activities of the year is the now annual assumption of the Redding City government for one day, which is designated Junior Statesmen Day by the City of Redding.

Other parts of the Junior Statesmen program include recreational activities and field trips. This year, the chapter planned the re-enactment of an old trial held at Shasta in the 1860's.

The Masque and Dagger Club, although comparatively small, has accomplished many things during the year.

Under the able advisorship of Mr. John Peterson during the first quarter the club held their annual Masque and Dagger Costume Ball. The club was guided during the rest of the year by Mr. Merritt Mann.

Many members helped in the production as well as the acting of the school play. They assisted with make-up, costuming, stage managing, and set building, which are necessary for the success of any play. The club members also sold tickets for several school activities.

The Future Farmers Organization at Shasta Union High School is composed of 120 boys who are enrolled in Vocational Agriculture and are taking Farm Shop.

This year we sent Dave Webb to the National Convention of Future Farmers in Kansas City, Missouri, and Tom McBroome and Bill Gregory were chosen to represent Shasta at the State Convention in San Luis Obispo.

Our local chapter participates in many local activities; some of which are showing livestock in the state and county fairs, the annual Ag Ball, annual Bean Feed, Barn Dance, Parliamentary Procedure Contest, Regional Field days when judging and farm mechanics are practiced.

OFFICERS (FIRST SEMESTER)

President.....	Byron Bilyeu
Vice President.....	Reid Steinbach
Secretary.....	Barbara Elaine Brown
Treasurer.....	Joanne Tinsman

Los Gauchos is made up of those students interested in the language of our Latin American neighbors.

The main task of the member is the earning of twenty-five points for helping in various club activities. Upon earning twenty-five points, he receives a pin showing that he is a member in good standing.

The main event of the year for the club is the putting on of the Spanish Fiesta, our annual dance. This year, however, we did not have a fiesta because we felt that there were too few club members to put on the dance successfully.

Shasta High Art League is one of the oldest clubs in the school. It was organized in 1934 with seventeen charter members. The Art League aims to promote an interest in art activities in the school and community.

In October the Art League featured a Pay Assembly of the Trampoline Stars who entertained the student body with amazing aerial feats, twists, and somersaults.

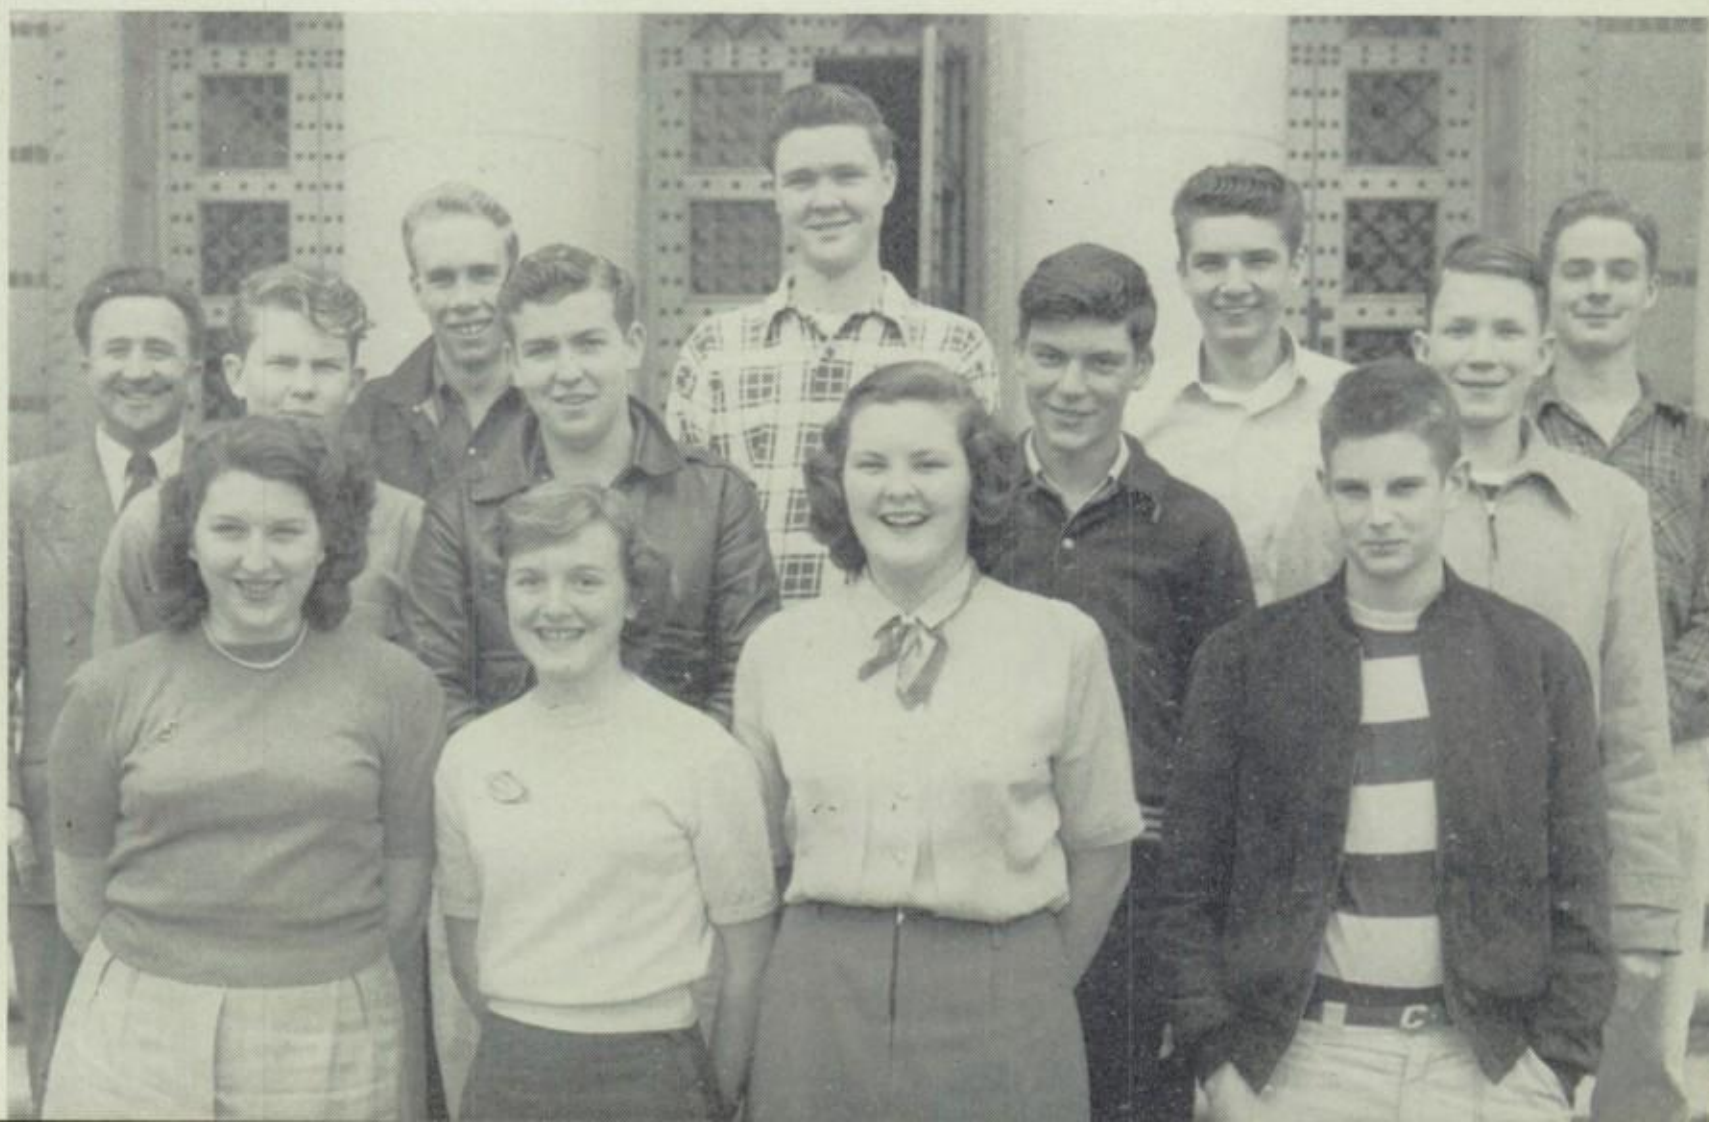

This year the Art League members worked on the project of creating puppets during the meetings. In March the club entertained as guests the puppeteers from Buckeye School, who gave a most entertaining performance.

The Future Teachers is one of the clubs at Shasta which has a serious side. It originated in the fall of 1949. The purpose of this club is to help those who are interested in teaching and cultivating the qualities essential to a good teacher. The members study and try to analyze the lives of great teachers and to foster the development of student leadership.

Membership is open to any student who is interested in teaching, and who has the necessary qualities of character, scholarship, and leadership. There is no grade requirement for membership.

This club has a charter from the National Education Association.

"Pares cum paribus facillime congregantur." (Birds of a feather flock together.)

The Latin Club opened the first semester by electing Ted Underwood, president. When Ted resigned, Allan Dotson was elected to fill the vacancy. Lois Hume was elected vice president, with Jean Haunschild, secretary; and Jean Huck, treasurer. One of the most successful dances of the year was put on by the Latin Club last fall.

The Latin Club was sorry to hear of the passing of its very able advisor, Mrs. Jane Congdon. Mrs. Mary Ulrich was the club advisor during the second semester.

Second semester found president Jean Huck with the aid of Allen Dotson, veep; Faith Bryant, secretary; and Brent Leonard, treasurer, with the aid of all the members, engineering a very successful Gotta Koppa Poppa dance and the Roman Banquet for the enjoyment of all.

Jane Congdon

The bright smile, the quiet voice, the shining eyes, and the "Ego te amo" of Mrs. Congdon will be sadly missed by each and everyone of us.

There will never be another who could teach Latin, manners, and city planning all at once and have them come out separately. Her firm and restraining hand on the actions of the Daisy Staff will always rest in our memories.

She loved us, that we know, and now we humbly dedicate this page because we shall always love her.

VARSITY FOOTBALL

Varsity Football

Football again reigned over fall sports at Shasta, with the Championship Wolves completing their fifth straight league season without a defeat.

Winding up with a 7-1-1 record for the season, the Wolves bowed only to Grants Pass, the number one team in Oregon, and were tied by Grant High of Sacramento. A 32-0 win over the rival Red Bluff Spartans, and an intersectional victory over a sensational Yreka outfit climaxed a great season.

Shasta placed eight men on the All-Conference first team, two on the second team, and several were given honorable mention. Bruce Bedynek, Royce Pipkin, and Bill Jacobs were named on the All-Northern California team, Jacobs being elected on the first team by both the San Francisco Examiner and Chronicle.

Bruce Bedynek and Jim Gordon were elected co-captains at the end of the season.

Junior Varsity

The Championship J. V.'s swept through Big Five competition with only the Oroville Tigers scoring on them. The only losses were to the Shasta Varsity reserves and the Fall River Varsity.

Coach John Grantham did a remarkable job tutoring this year's willing group of Freshmen and Sophomores. He was unassisted throughout the season and developed many fine ball players.

At the end of the season Wendell Tobiasson was elected honorary captain.

"A" Basketball

A greatly improved Varsity basketball team was viewed by Shasta rooters this year. The team of three seniors, three juniors and four sophomores worked hard all season and wound up in second place in Big Four league standings. If it had not been for their slow start the court minded Wolves would probably have captured the Big Four crown.

At the end of the season the boys traveled to Oroville and finished second in the Acker Round Robin Tournament there.

Coach Harlan Carter showed the fans the two platoon system, basketball style, near the season's end.

The team elected Paul Williams captain.

"B" Basketball

As was evident to many pre-season onlookers, Shasta's B quintet had championship material and was destined to go places. This year's aggregation did just that by taking the Big Four title and completing a nine-game league season undefeated.

Bob Milton was the scoring sparkplug, with Don Wilhelmson, Ron Mancasola and Wilton Jones working many beautiful plays and confusing opponents. Fred Morrison and Mike Stephens gave the Pups their rebounding strength. Any combination of these six boys worked well together.

Ron Mancasola was elected captain at the season's close.

The starting quintet was D. Bisnett, T. Ottonello, G. Bui, J. Audia, and K. Carter. This club lost only to Oroville. They later got revenge when they took the Tigers into camp 27-22.

Baseball

Every year the deadline of this yearbook makes it impossible to summarize the baseball season. Last year's diamondmen turned in a good record.

With the loss of only three players and some good Freshmen and Sophomore prospects turning out, Shasta should take its first baseball championship in thirteen years.

Dear Pat,
Here's to a swell gal in Shasta
hi. school. Here's hoping that you can
recall all of the little "stinkin"
things that we have done during
the year of "53"; and all the times
that we have kind-of-cut class
for special reasons (ha-ha). But
we sure had fun, didn't we?
May we have as much fun
in our remaining year.

Best of years, I hope
we still ahead of you.
May your future be filled
with happiness and rich with
ever lasting success. And may
this old world be very, very kind
to you.

Best of Luck to a swell gal and pal
with her man.

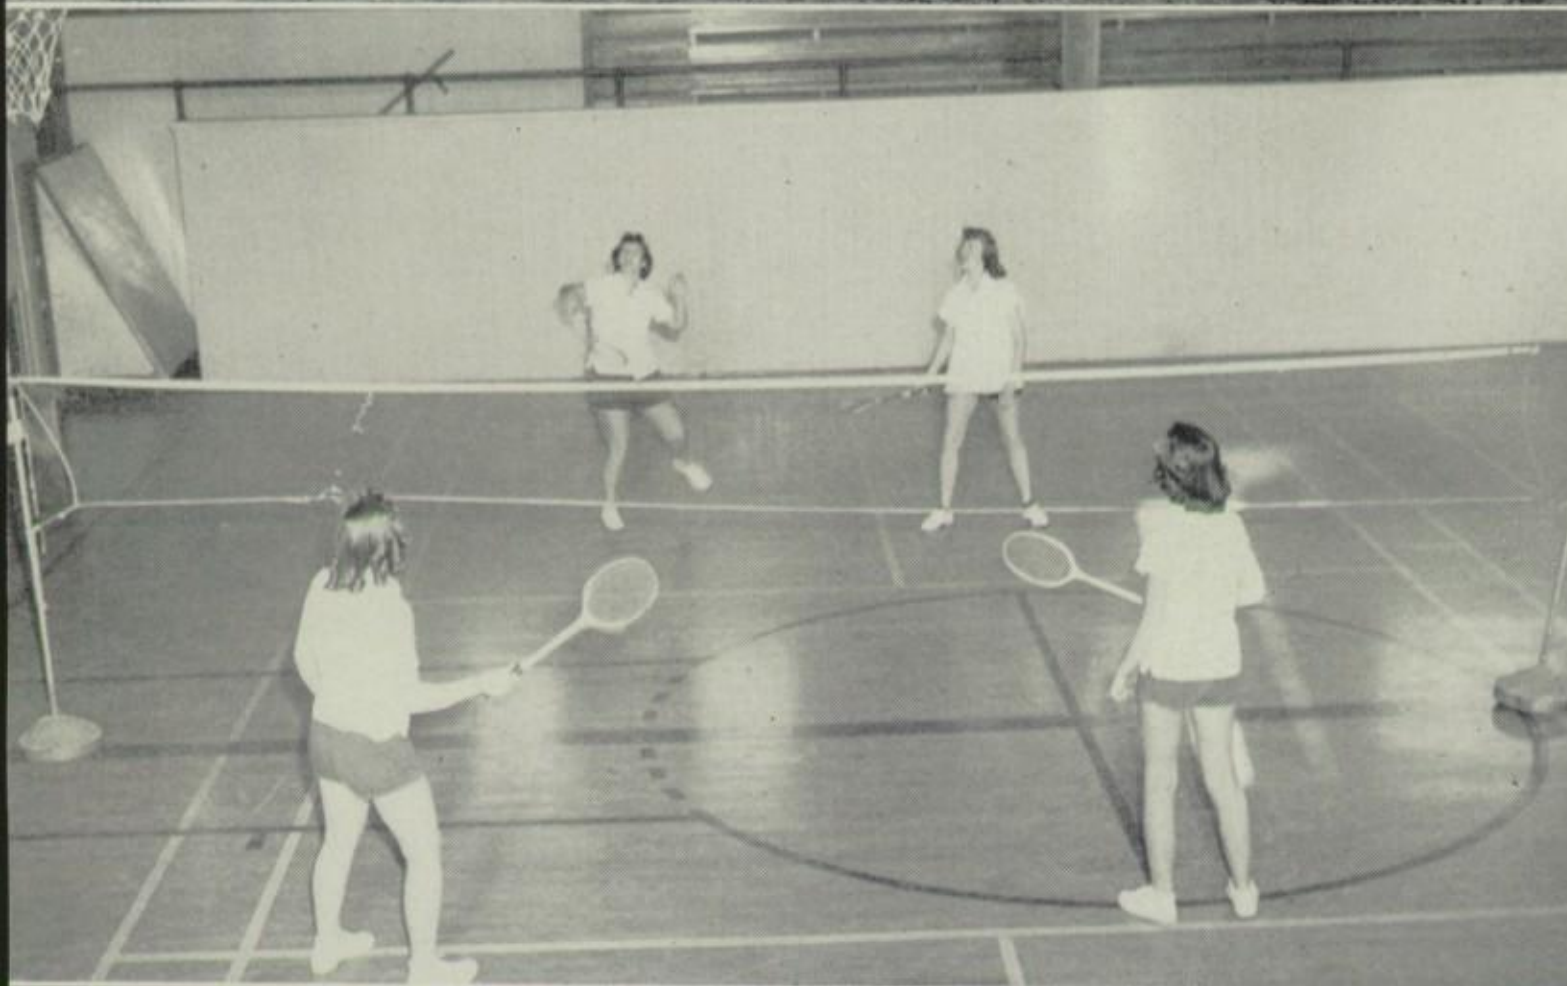

Sharon (Mathee) Madison

SPEEDBALL—is one of the first games played when we return to school in the fall. It is a combination of basketball and soccer and requires a lot of skill to play it well.

BADMINTON—is a very fast and exciting game and is enjoyed by all the girls.

VOLLEYBALL—is always an exciting game which requires alertness and skill, and gives all the girls a chance to play.

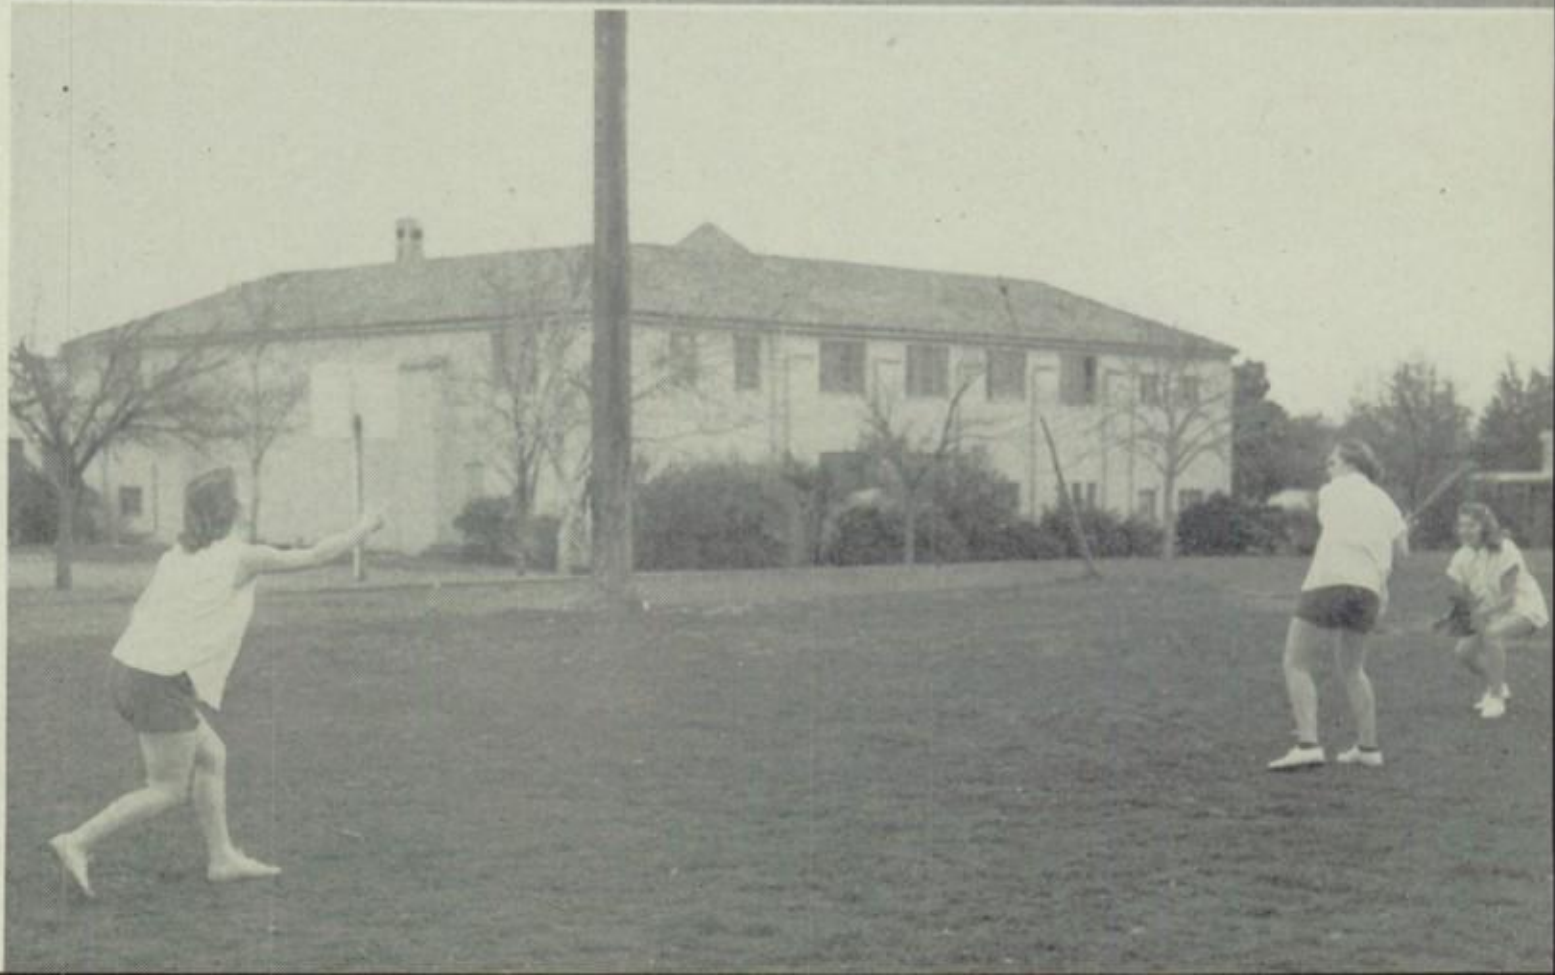

BASKETBALL — Girls' basketball is not as easy a game as most people think. A good game of girls' basketball is just as fast and exciting as boys'.

TENNIS — Tennis is an outdoor sport offered during the spring and early fall.

SOFTBALL — Softball is the last sport of the year.

Dear Pat,
 Well, sugar, we've
 only got one more year
 of this torture left
 (I hope) and during these
 last three years we've really
 had some fun. Believe me, I've
 really had some swell times since
 I started running around with you
 and I'll never forget them. I'll see
 you this summer, all the time, I hope,
 but only if you promise we won't have
 to sit out in the sun to get a "tan".

Dear Pat -

Well another school year is over and as you look back over it, I hope you recall many happy memories and that I might be one of them. It has really been fun gossiping with you and the "gang" in shorthand, and tho I have not known you too long I believe you can be a wonderful pal and I know you are a very nice girl. I hope you are in one of my classes next year, and if you are not, that I'll see you around anyway. Best of Luck and all that stuff, see in Westwood - Be good and please include me in your fond memories at "old" "Ihastata" Hi.
